**Spot 1008: "No campsite is too large!"**

(Voices: Spike and Jan.)

 (Intro Jingle: "Have you been to Ramakko's?") 

**Jan:** Ahh, the great outdoors. Nothing says camping like all new gear from Ramakko's.

**Spike:** Help me unpack, will ya? There's a tent for each of us, a bluetooth fire pit, cots, coolers, and a couple of UPF hats for sun protection, waterproof boots, and a tonne more!

**Jan:** It's too bad Ramakko's doesn't sell campsites. We could use a larger one!

 (Exit Jingle: "Have you been to Ramakko's?") 

**Spike:** Ramakko's Source for Adventure. They know the great outdoors.
